How often Steven uses math and technology on the job:

We use math all the time.

We use it to calculate the amount of concrete we need to pour.

We use it to make sure everything we build is square.

We also use it for basic measurements and more.

We also use technology everyday. Jobsite plans are now found on the phone or tablet so knowing your way around a smart device is important.

HIGH SCHOOL CAREER TECH OPTIONS

- Charlevoix Emmet ISD Career Tech Programs: Construction Technology
- Northwest Education Services Career Tech Center: Construction Trades
- Wexford Missaukee ISD Career Tech Center: Applied Construction Technology

CARPENTERS OFTEN HAVE ON THE JOB TRAINING MANY ALSO CHOOSE TO GO TO AN APPRENTICESHIP PROGRAM OR TAKE CLASSES

- Hammer 9 Union Carpenters and Millwrights
- Northwestern Michigan College
